Contact:
To sponsor Hampton Roads DevFest either reach out at team@revolutionva.org or schedule some time to talk to the team 1:1.

Appendix

- Table placement will be allocated first by tier, then by the order we received payments for that sponsorship tier.

- Tickets may be used for booth staff, company representatives, or guests. Each sponsorship tier includes a designated number of tickets as outlined above. All attendees are required to have a badge at the venue. Additional tickets can be purchased as needed at the early bird pricing.

- Your company logo will appear on the Sponsors page of the official event website, linked to your preferred URL.

- A showcase table will be provided by the event. Sponsors are responsible for bringing their own tabletop displays, monitors, and any additional presentation materials. Power outlets will be available however sponsors will need to provide their own extension cords and power strips. Hampton Roads DevFest staff has the right to refuse power strips and cables that do not appear to meet required safety requirements.

- Each sponsor with this benefit may submit a short marketing email to be distributed to all registered attendees. This email must be written and provided by your company, and submitted no later than one week prior to the event. Emails require approval by Hampton Roads DevFest staff. Marketing email will be sent no later than 1 week after the event. Restrictions apply*

- Sponsor signage placements (such as banners and tabletop signs) are subject to adjustment at the discretion of the Hampton Roads DevFest staff. If changes occur, an equivalent placement of similar visibility and prominence will be provided.

- On stage sign will be a 36"x24" foam core sign that will be presented on an easel on stage left and stage right. This sign will be printed by Hampton Roads DevFest staff and needs to have designs finalized and approved by January 23, 2026.

- If you are paying with credit card we will add a credit card fee.
